

How-To

TAKE CONTROL INITIATIVE

1 A woman thinking about her future hears about IUDs, the Implant and Take Control Initiative

2 She gets an appt.* by:

- Calling a TCI clinic
- Planline: 918.838.0697
- Visiting TCI's website

TCI please!

3 A Healthcare provider works with her to choose the best birth control method

Let's

Talk

4 She gets free pregnancy test and STI test as needed, compliments of TCI

5 If she chooses, she gets the most effective, reversible method for free

6 The clinic is reimbursed by Take Control for any costs not covered**

7 This woman is going places and she has birth control that can keep up with her

* Free transportation is available
** For qualifying women
